

iMarriage

begins September 19th

1st & 3rd Sunday evenings
Derek & Alicia Spicer's House
Drop your kids off at Awana Clubs beginning
at 4:45 p.m. and pick them up by 7:00 p.m.

We will have a time of food and fellowship before getting into the iMarriage study. This study is all about transforming your expectations of marriage. We will take a look at the “me” syndrome that leads to tearing apart husbands and wives who were once head-over-heels in love.
